We are committed to making sure that information is kept safe, stored securely and can only be used by the people who need it to enable us to offer your family the support and services that you require.

The safety and well-being of all our service users is of paramount importance to us. We adhere to Cumbria Local Safeguarding Children's Board (LSCB) safeguarding policies and guidelines and will at all times take action to ensure that children, young people and families are kept safe from harm. For further information, see Cumbria LSCB Guidelines at [www.cumbrialscb.com](http://www.cumbrialscb.com)

We recognise that families' needs change over time and sometimes extra help and support is needed. If you or someone who works with your child feels that he or she would benefit from extra support, an Early Help Assessment may be used. This is a separate process and will only be initiated with your agreement.
