

Foundation Stage Themed Book Boxes for Nursery and Reception

Library Services for Schools Serving Schools in Cumbria

Satisfy pupils' interests and support topic work with our tailor made foundation stage themed collections. Please feel free to mix and match and include your own topics. Each box contain circa 20 books and are loaned as part of your school's topic/literacy box entitlement.

"They are fantastic and have helped us tremendously with our topics. The children really look forward to seeing the changes of books each term"

"Wonderful in every way. We can't fault it. Before this service we had to spend our own time looking for books for our themed topics. Both the children and the staff love them and there is an ideal mix of fiction and non-fiction. It has also been a brilliant way of supporting our continuous provision areas within the nursery".
