

Cumulative Impacts of Vertical Infrastructure

Landscape Areas: SIG.01
Significance of landscape effects from small-scale vertical infrastructure

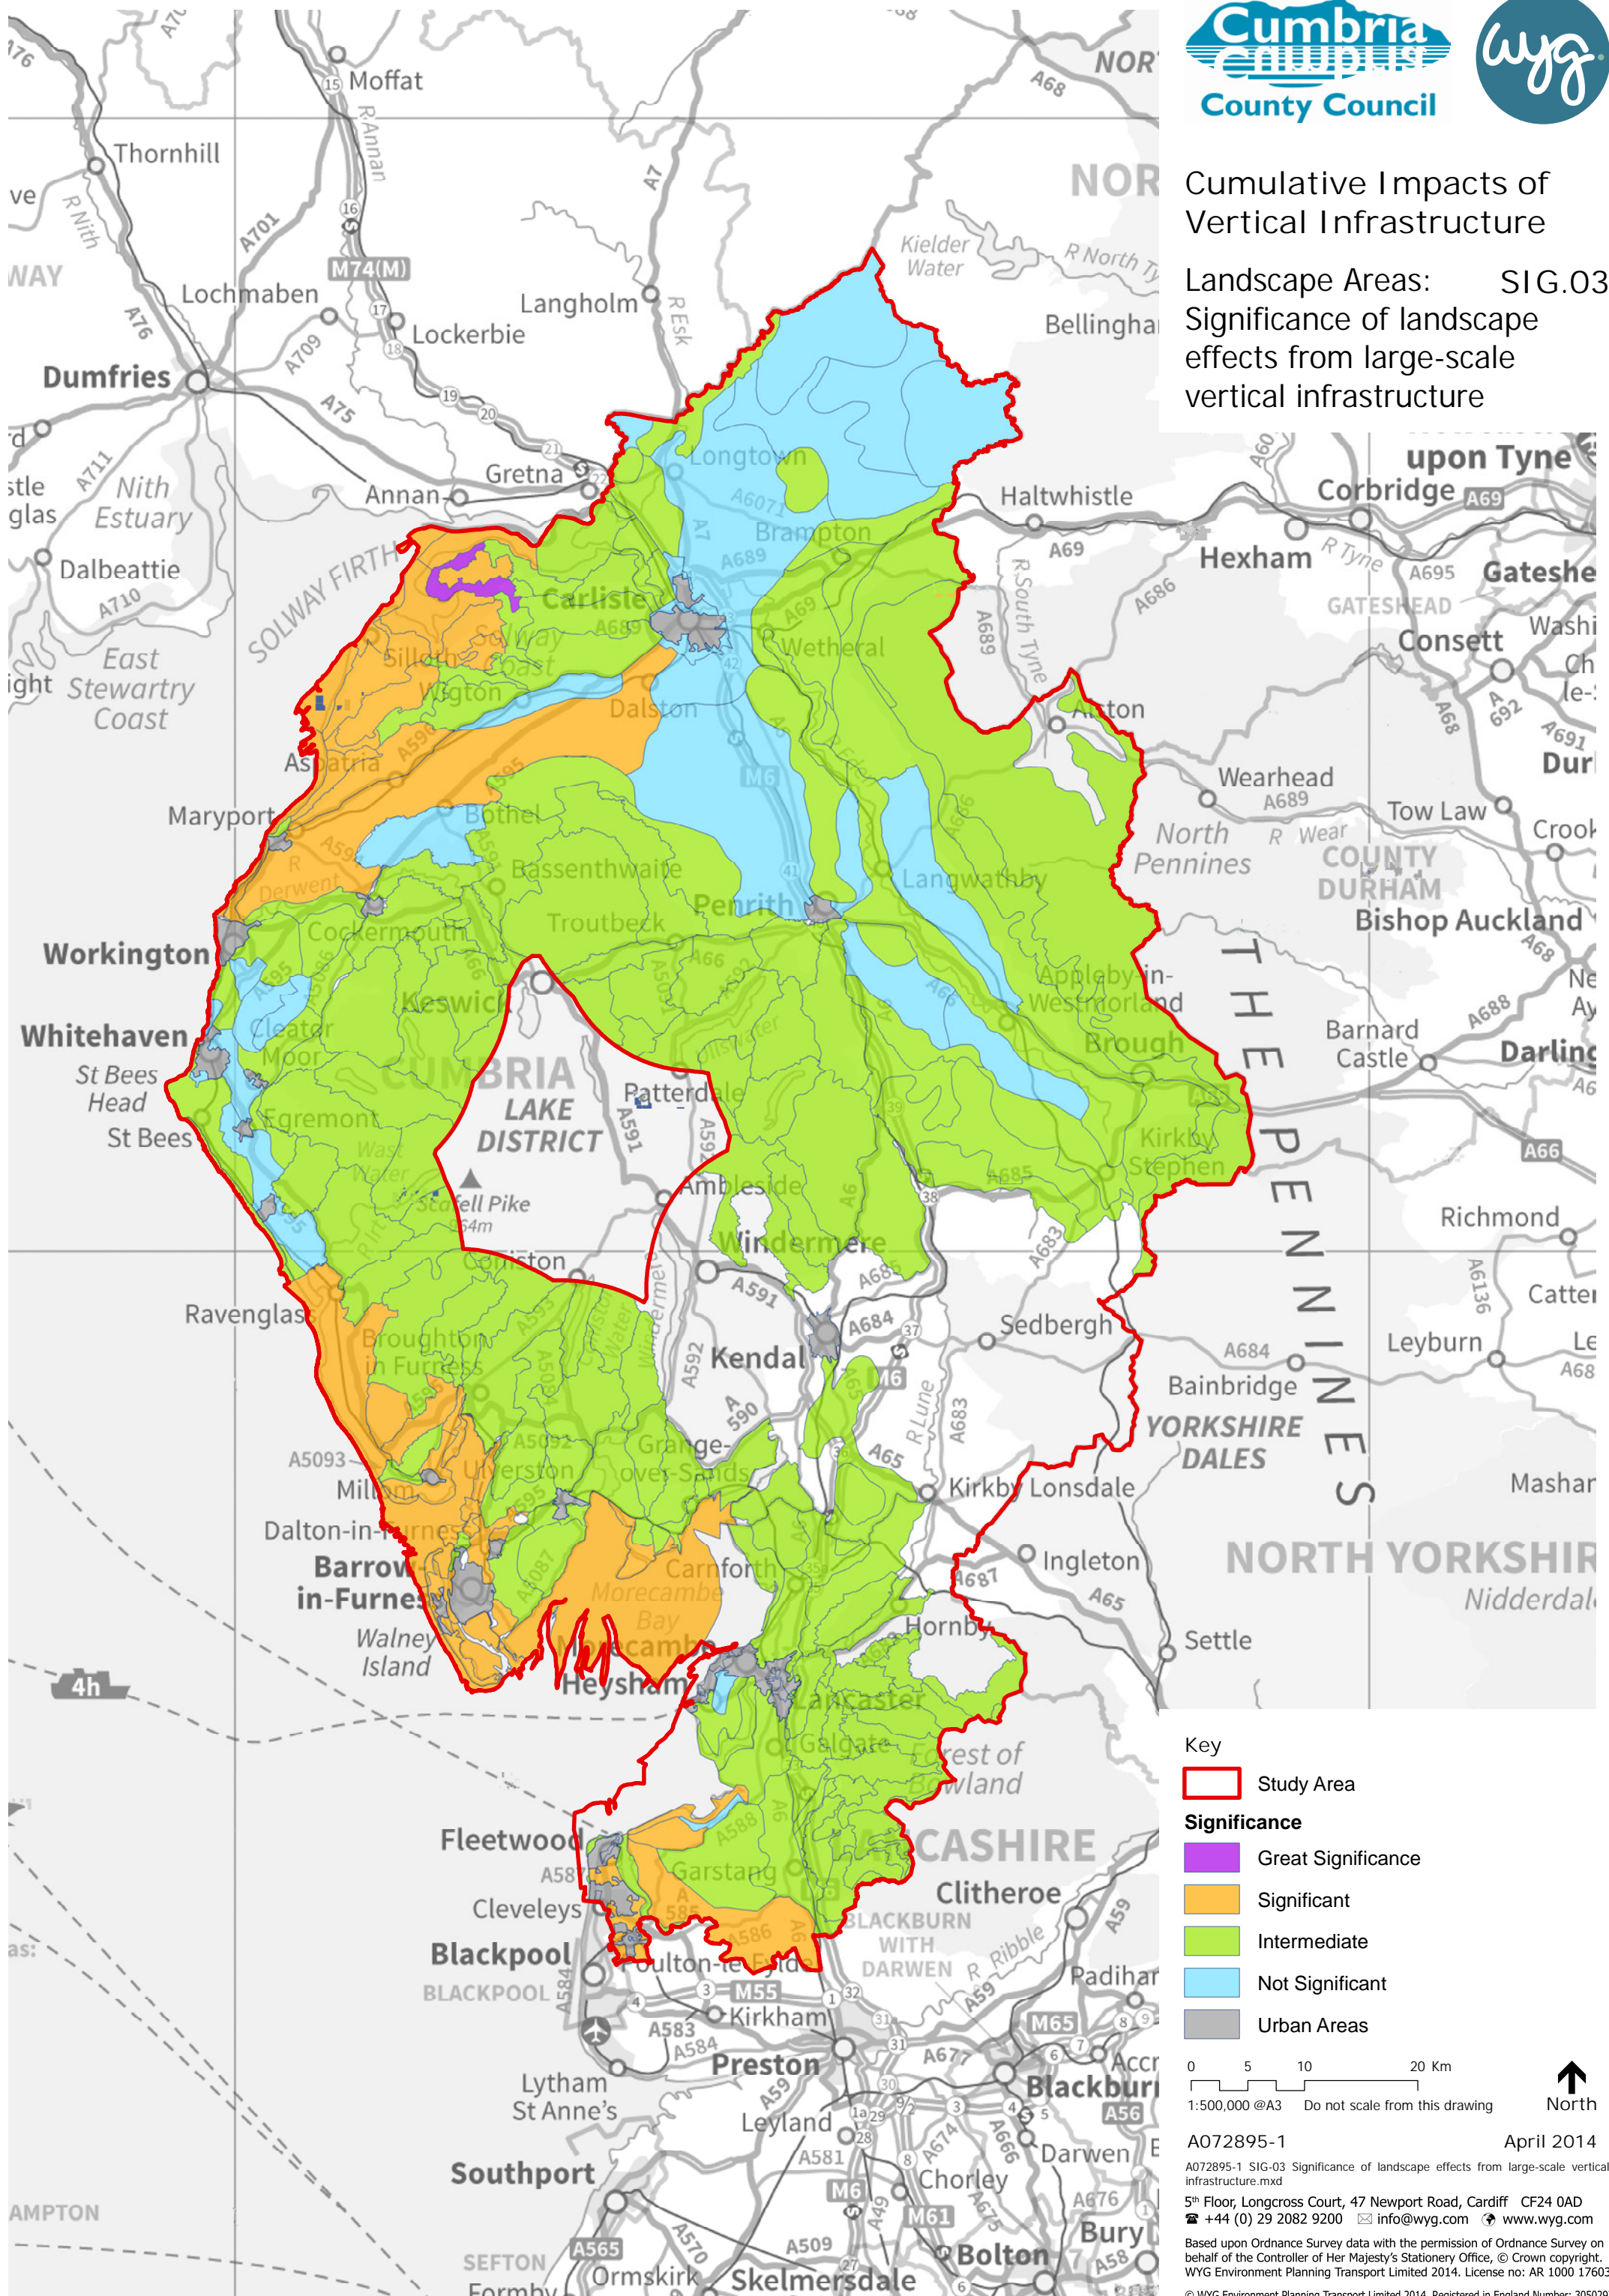

Cumulative Impacts of Vertical Infrastructure

Landscape Areas: SIG.02
Significance of landscape effects from medium-scale vertical infrastructure

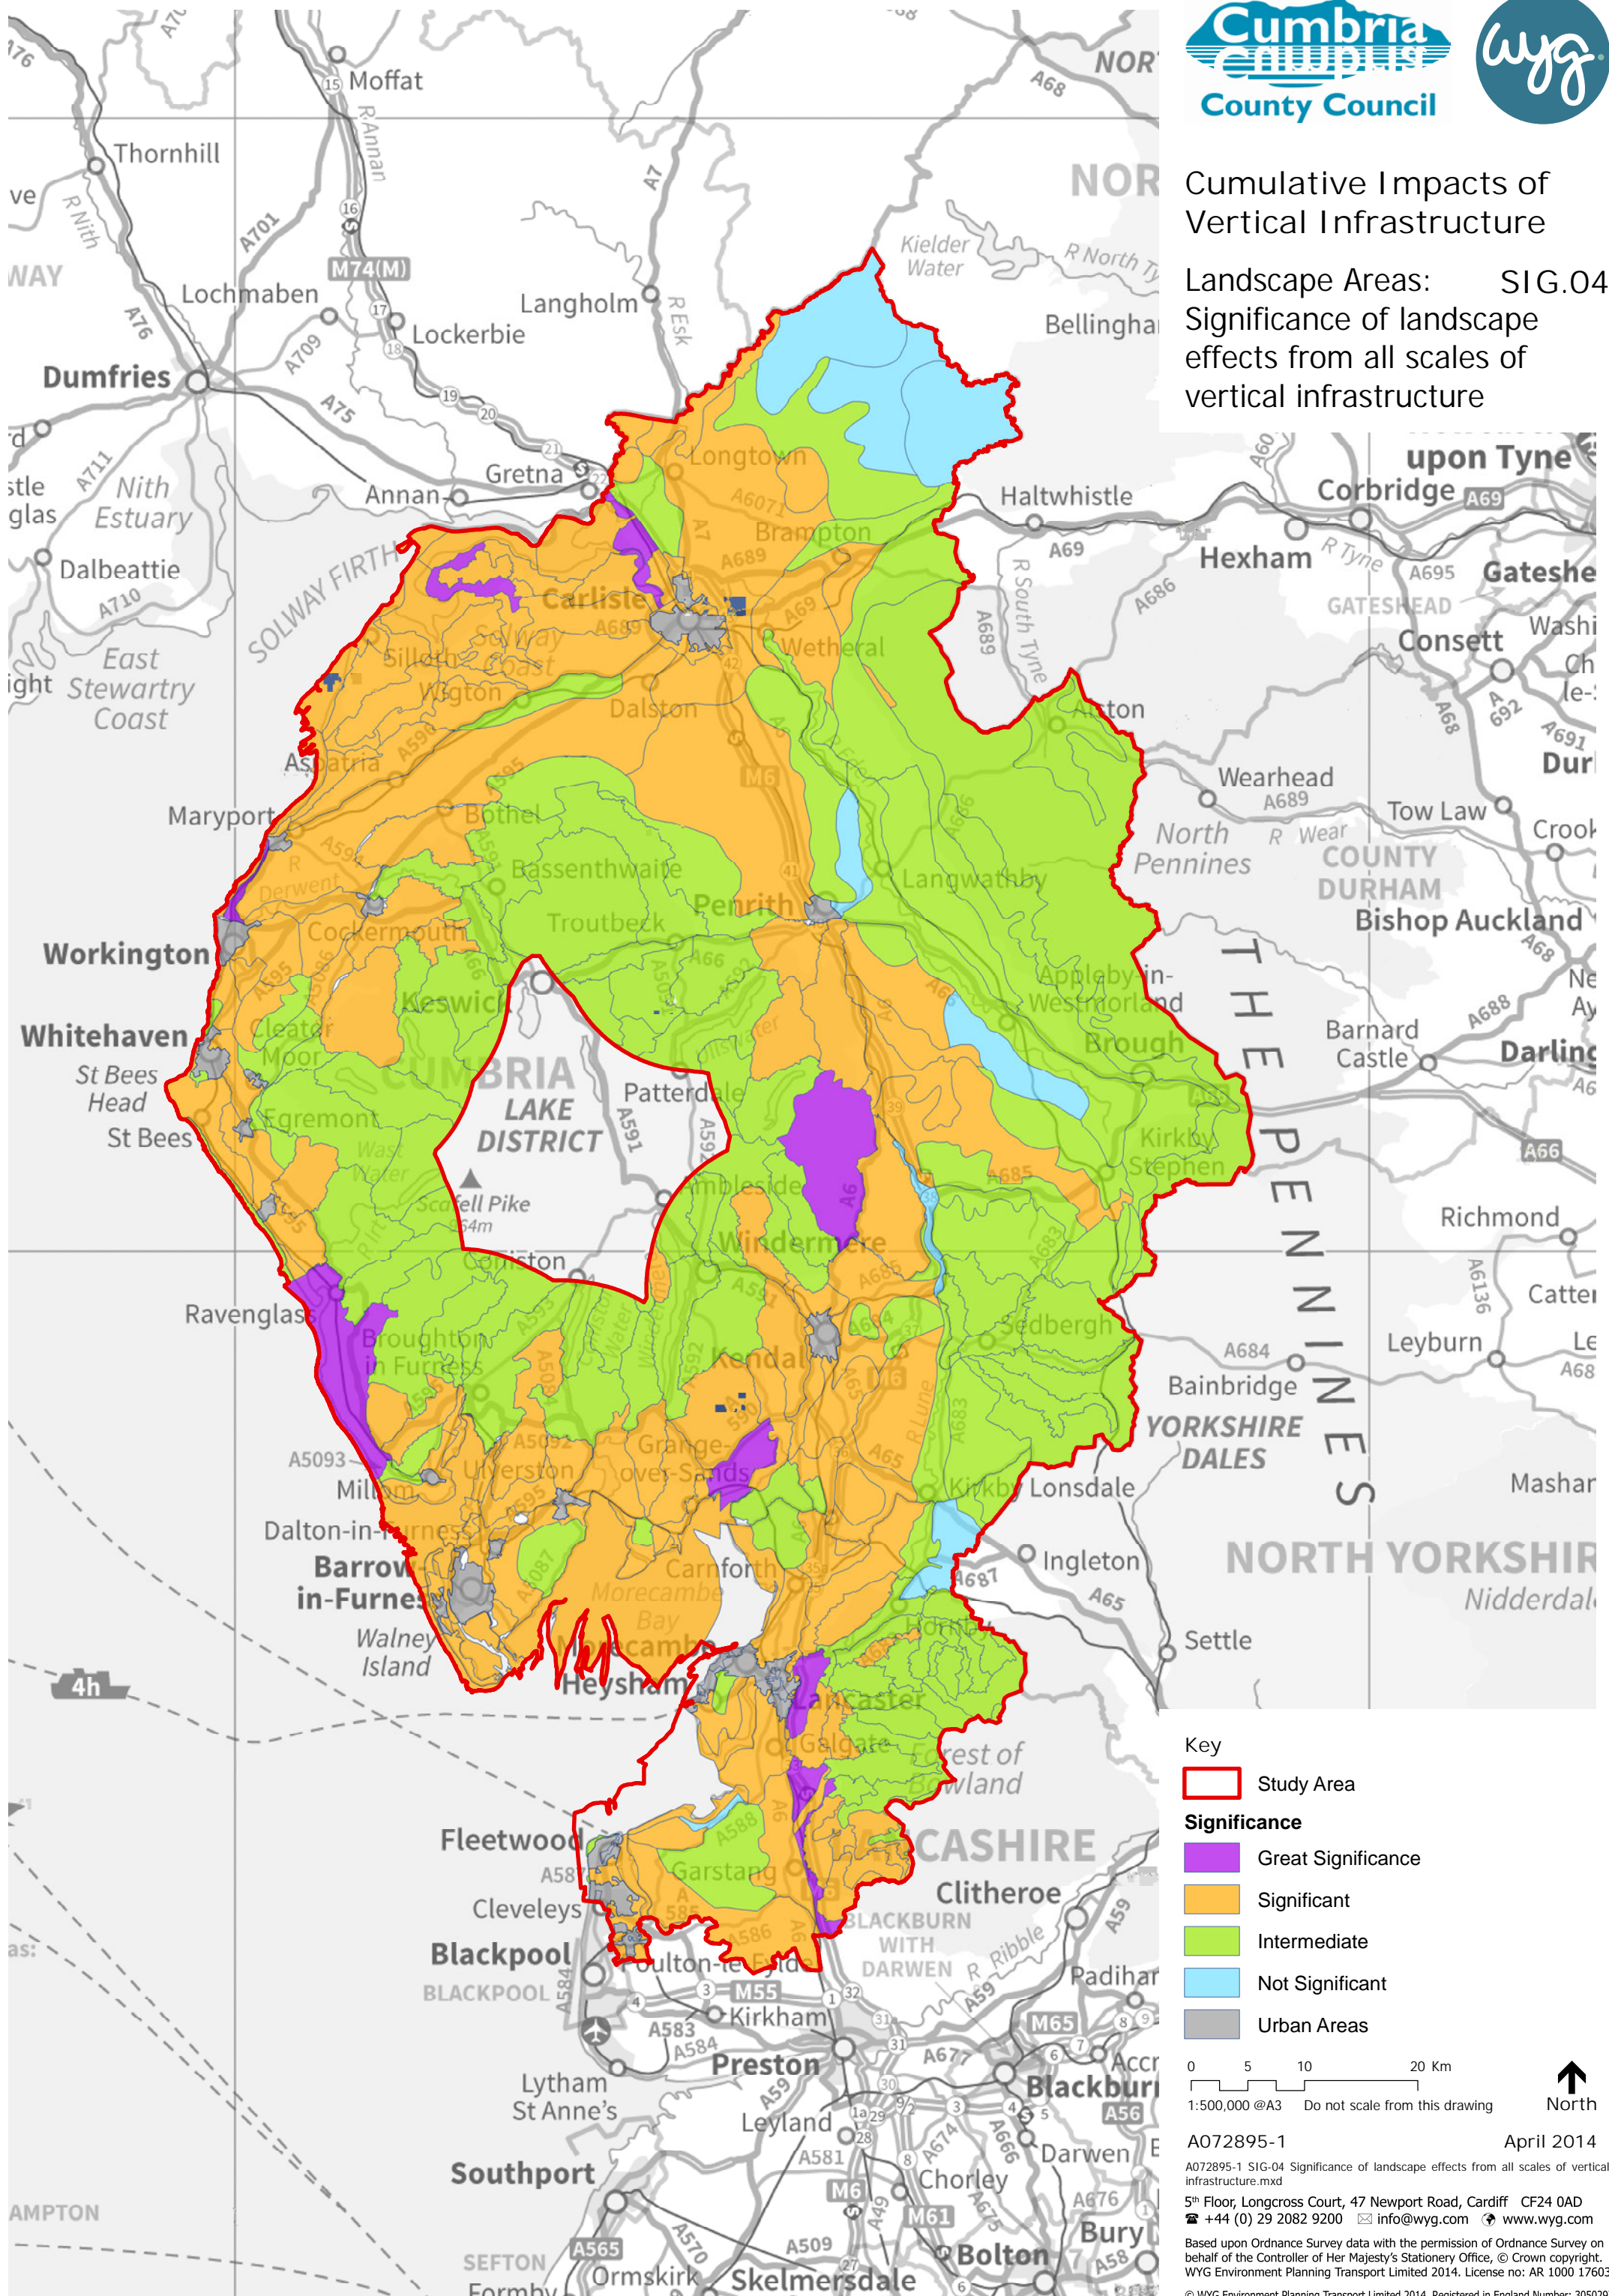

Cumulative Impacts of Vertical Infrastructure

Landscape Areas: SIG.03
Significance of landscape effects from large-scale vertical infrastructure

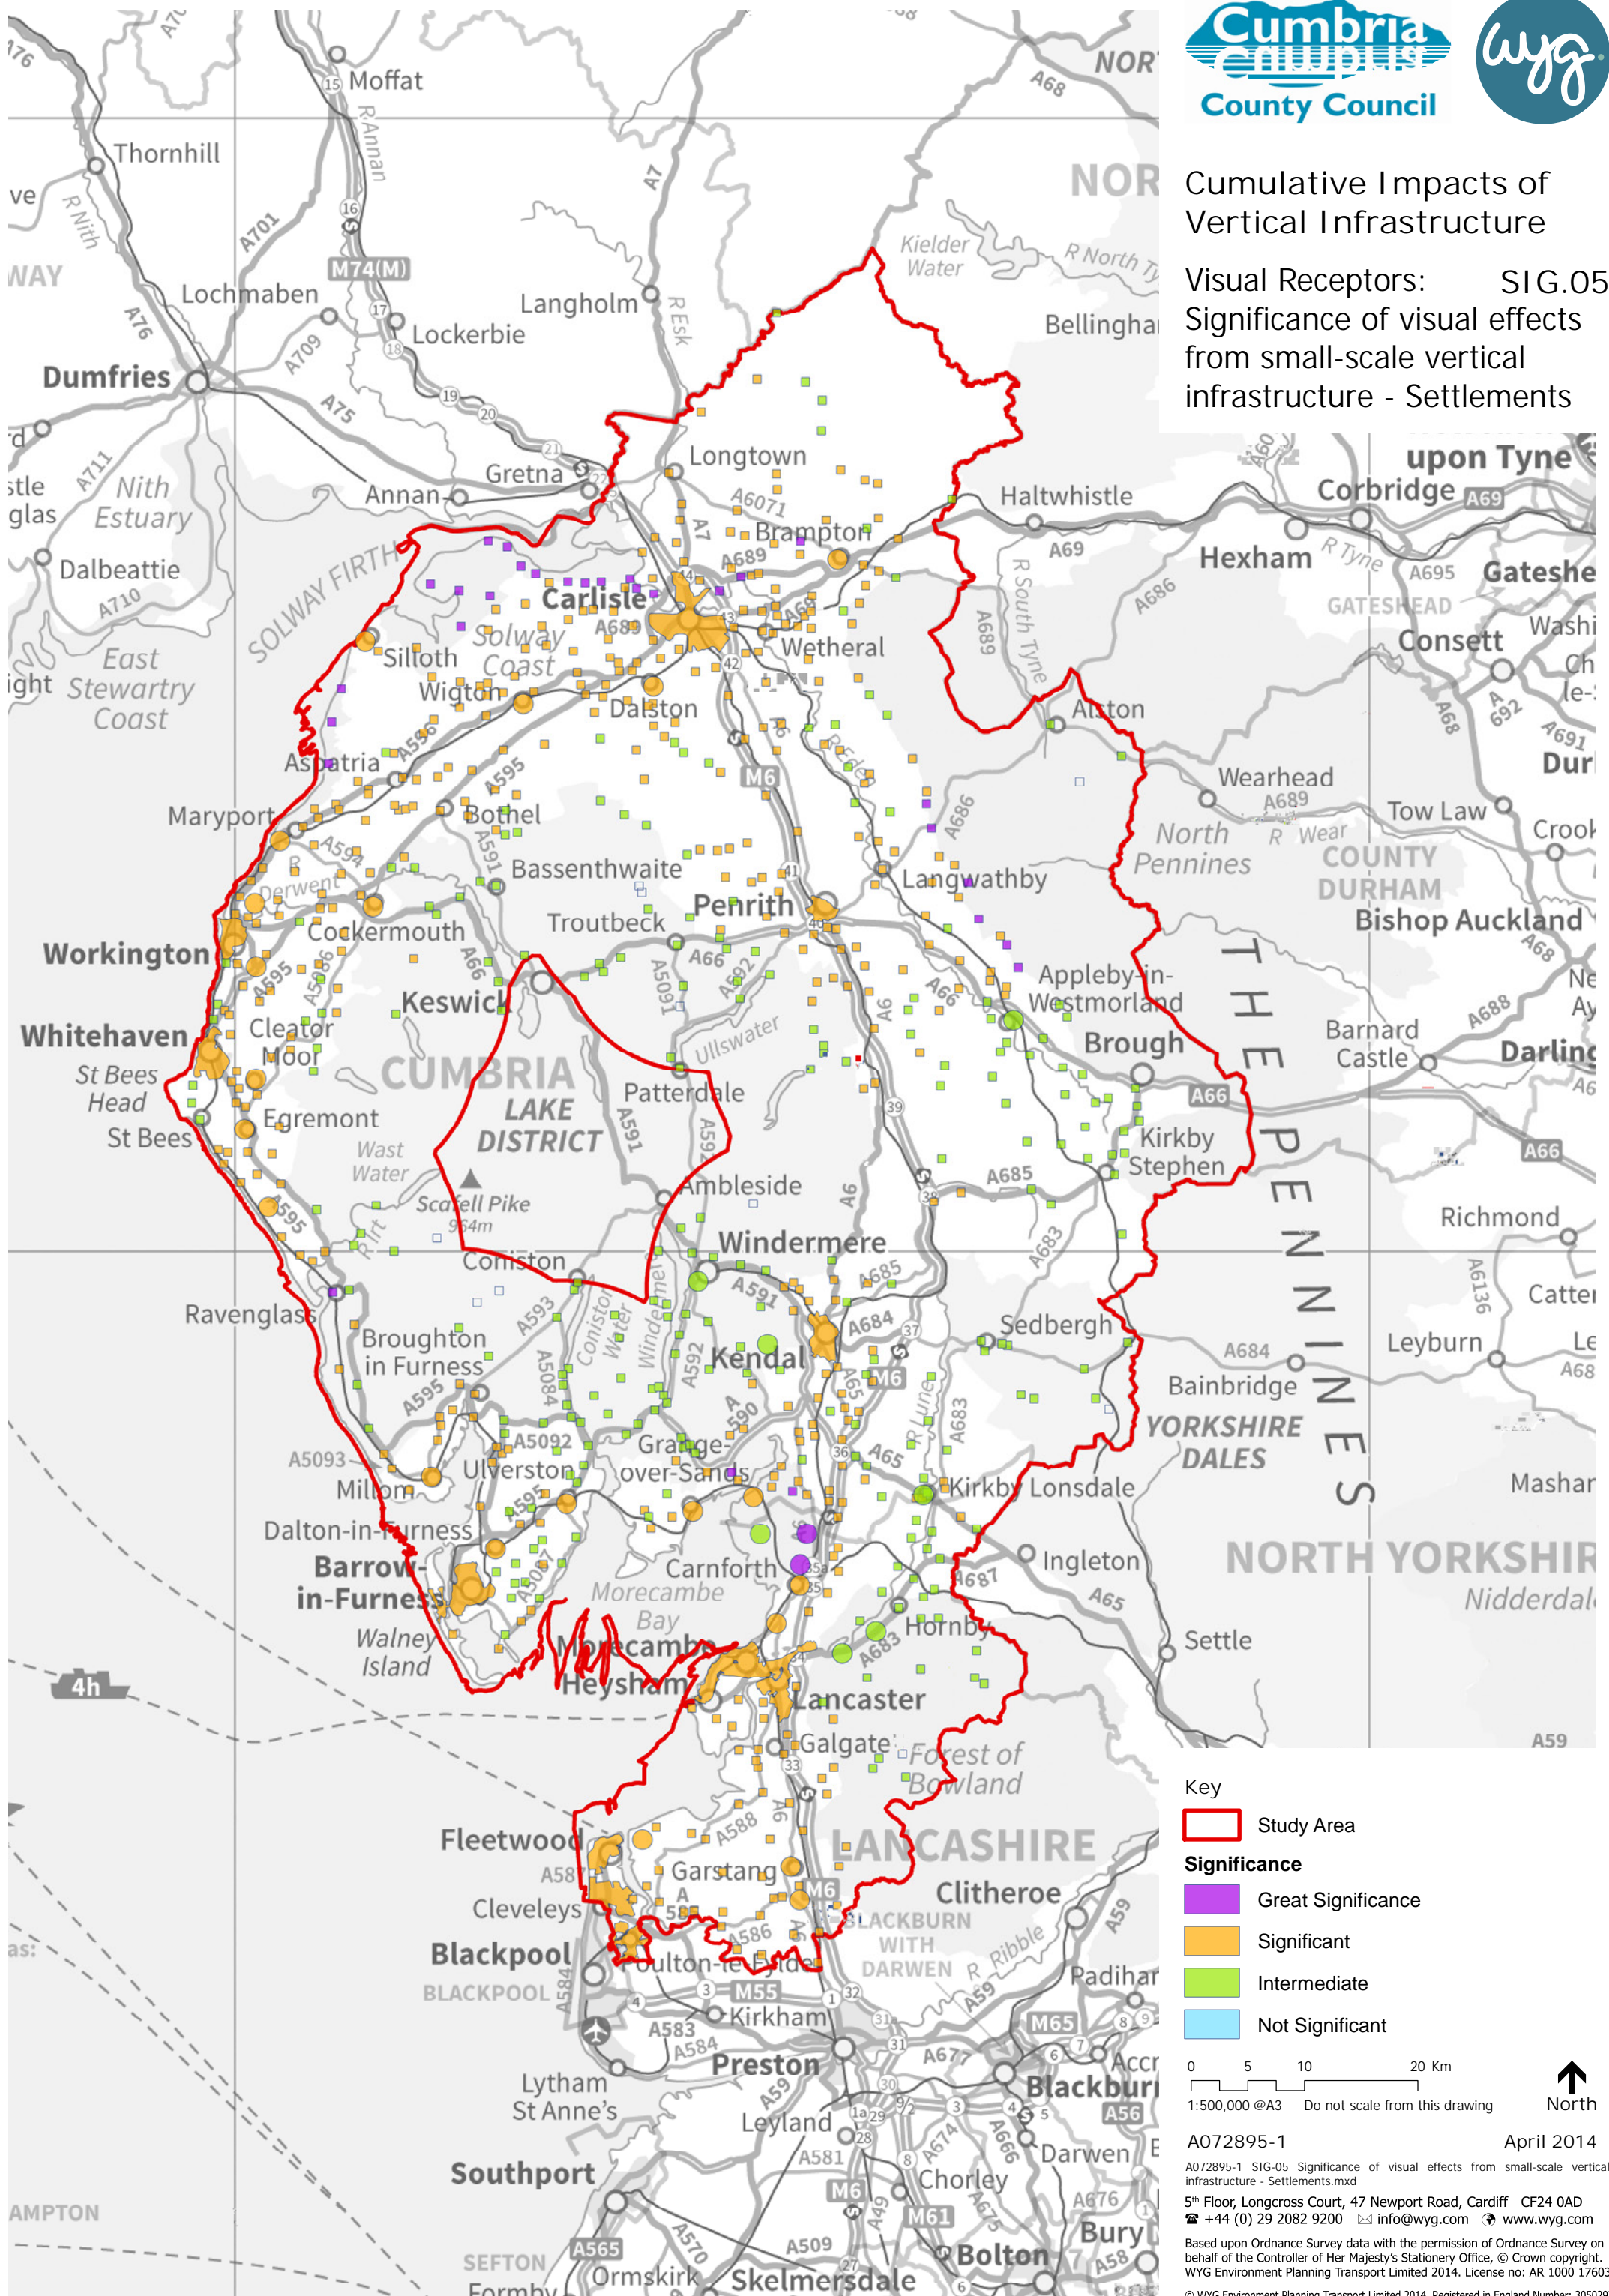

Cumulative Impacts of Vertical Infrastructure

Landscape Areas: SIG.04
Significance of landscape effects from all scales of vertical infrastructure

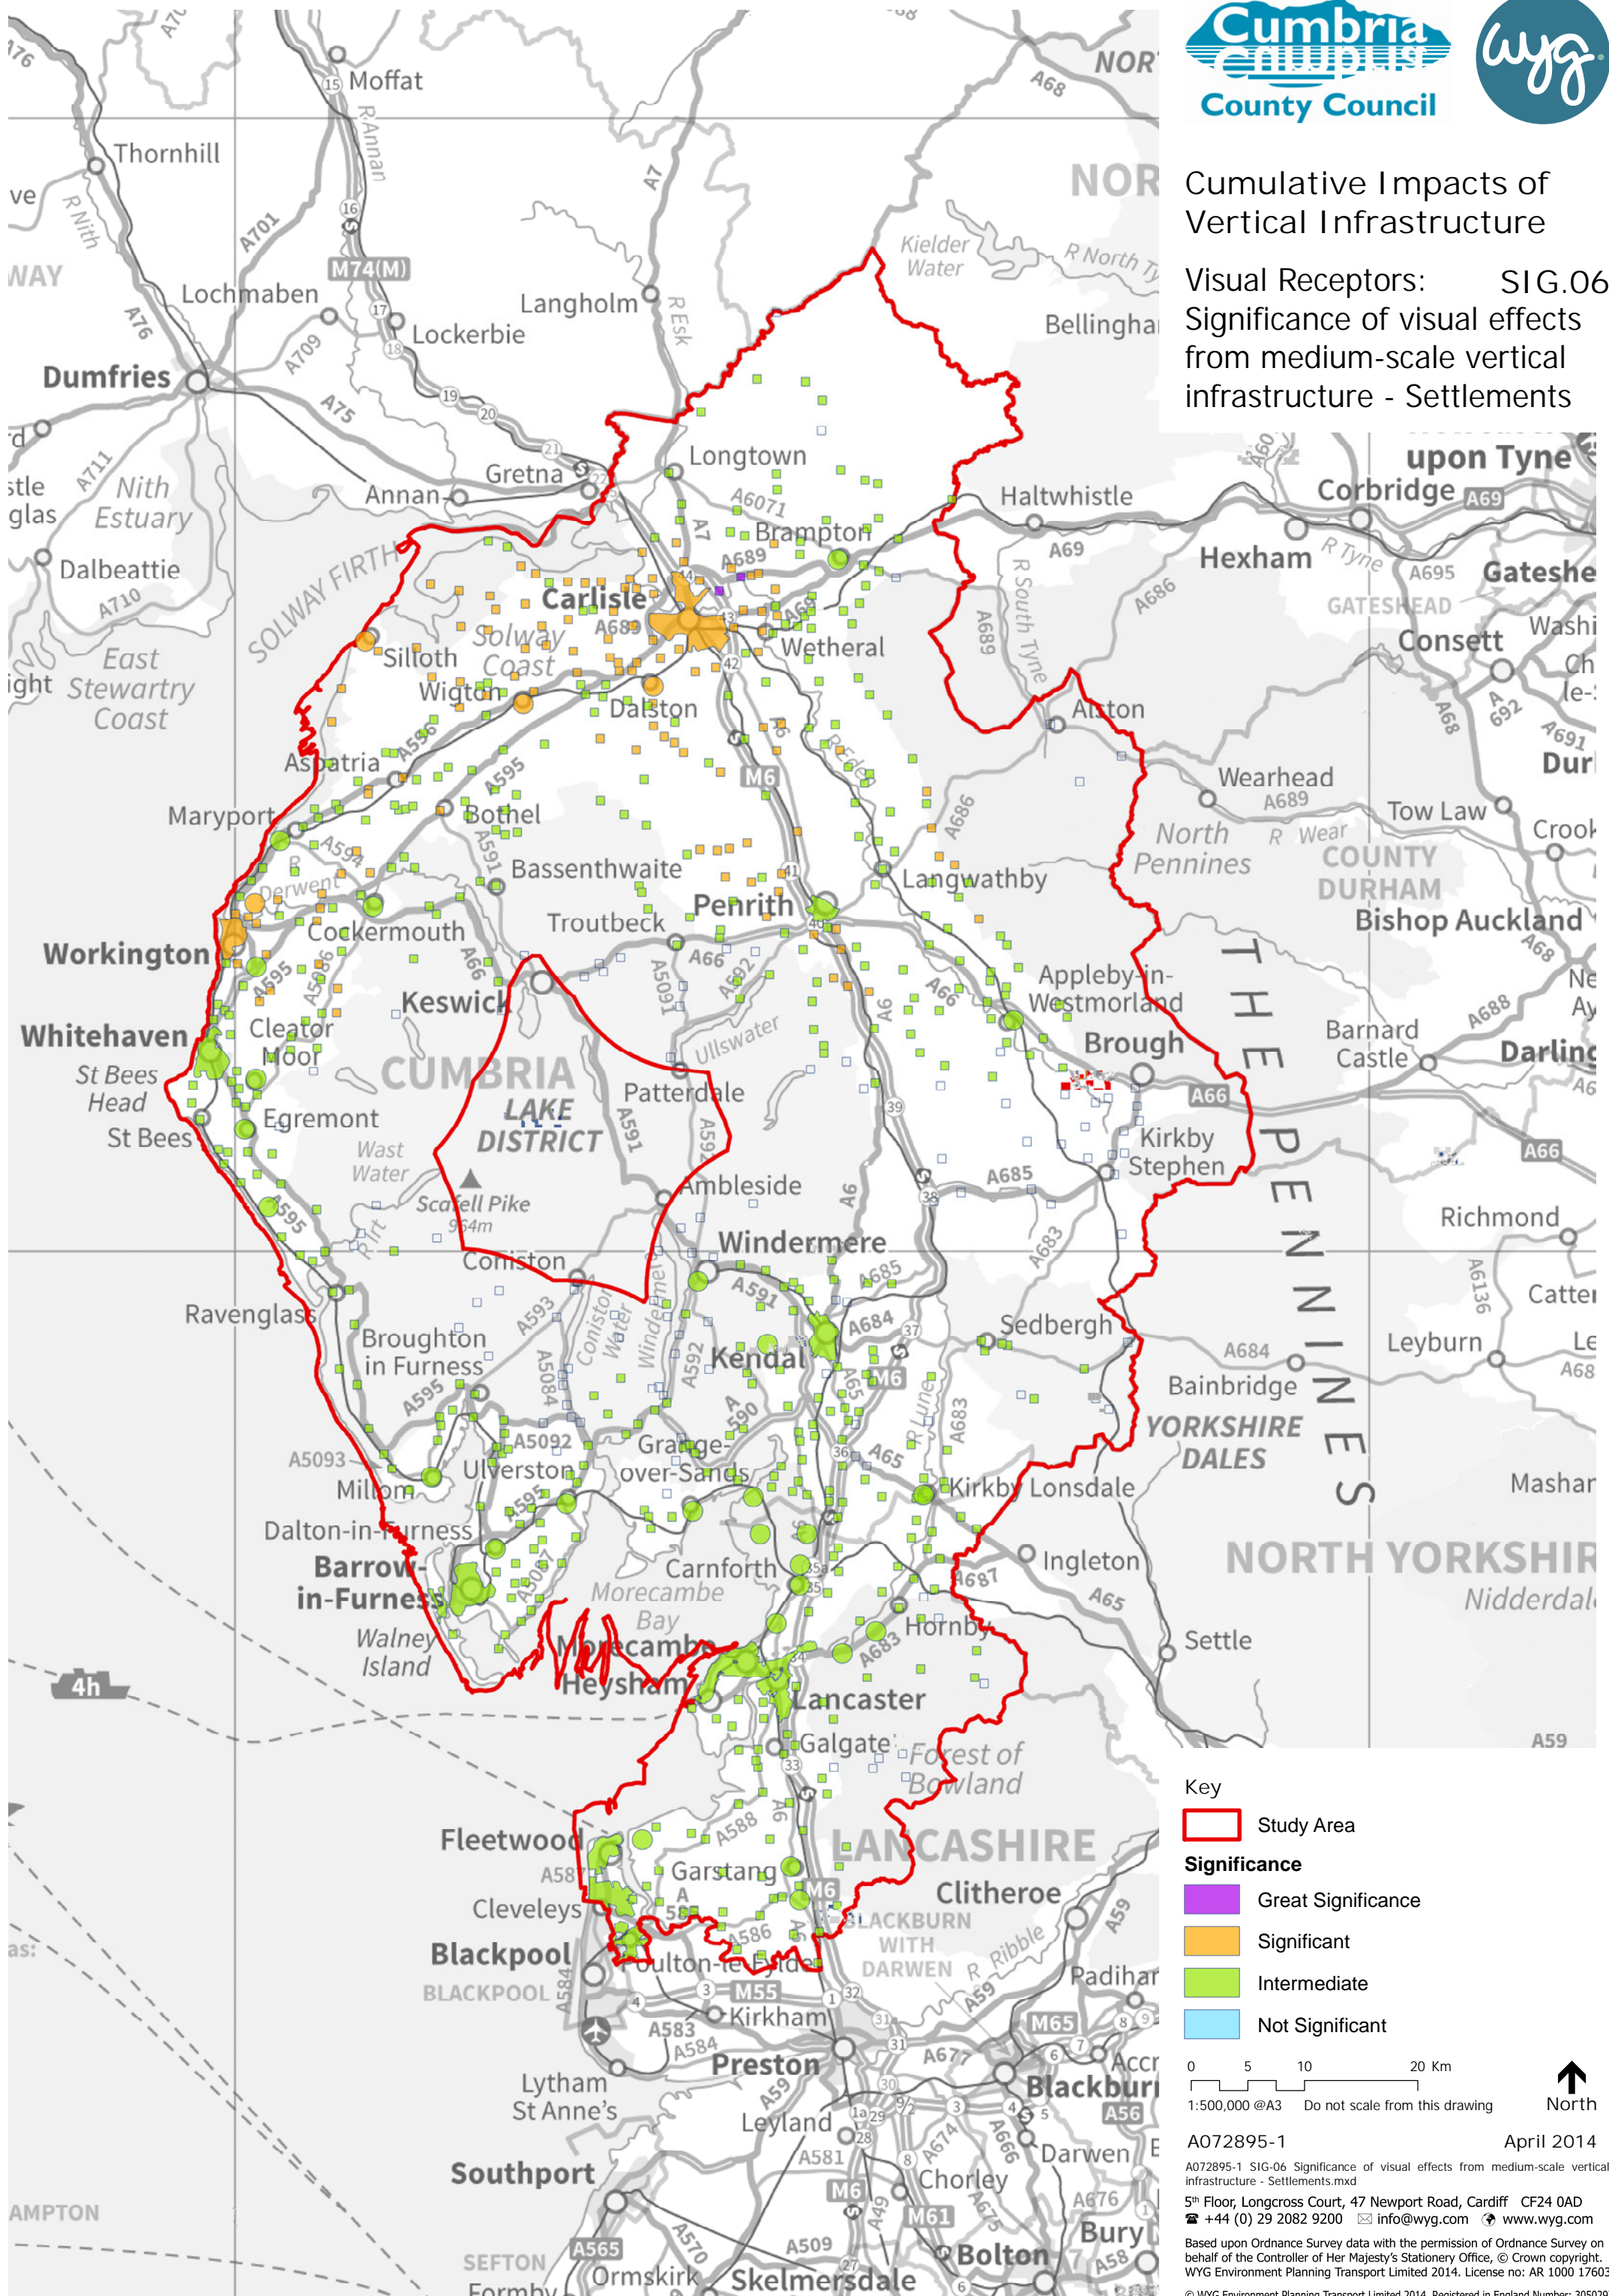

Cumulative Impacts of Vertical Infrastructure

Visual Receptors: SIG.05
Significance of visual effects from small-scale vertical infrastructure - Settlements

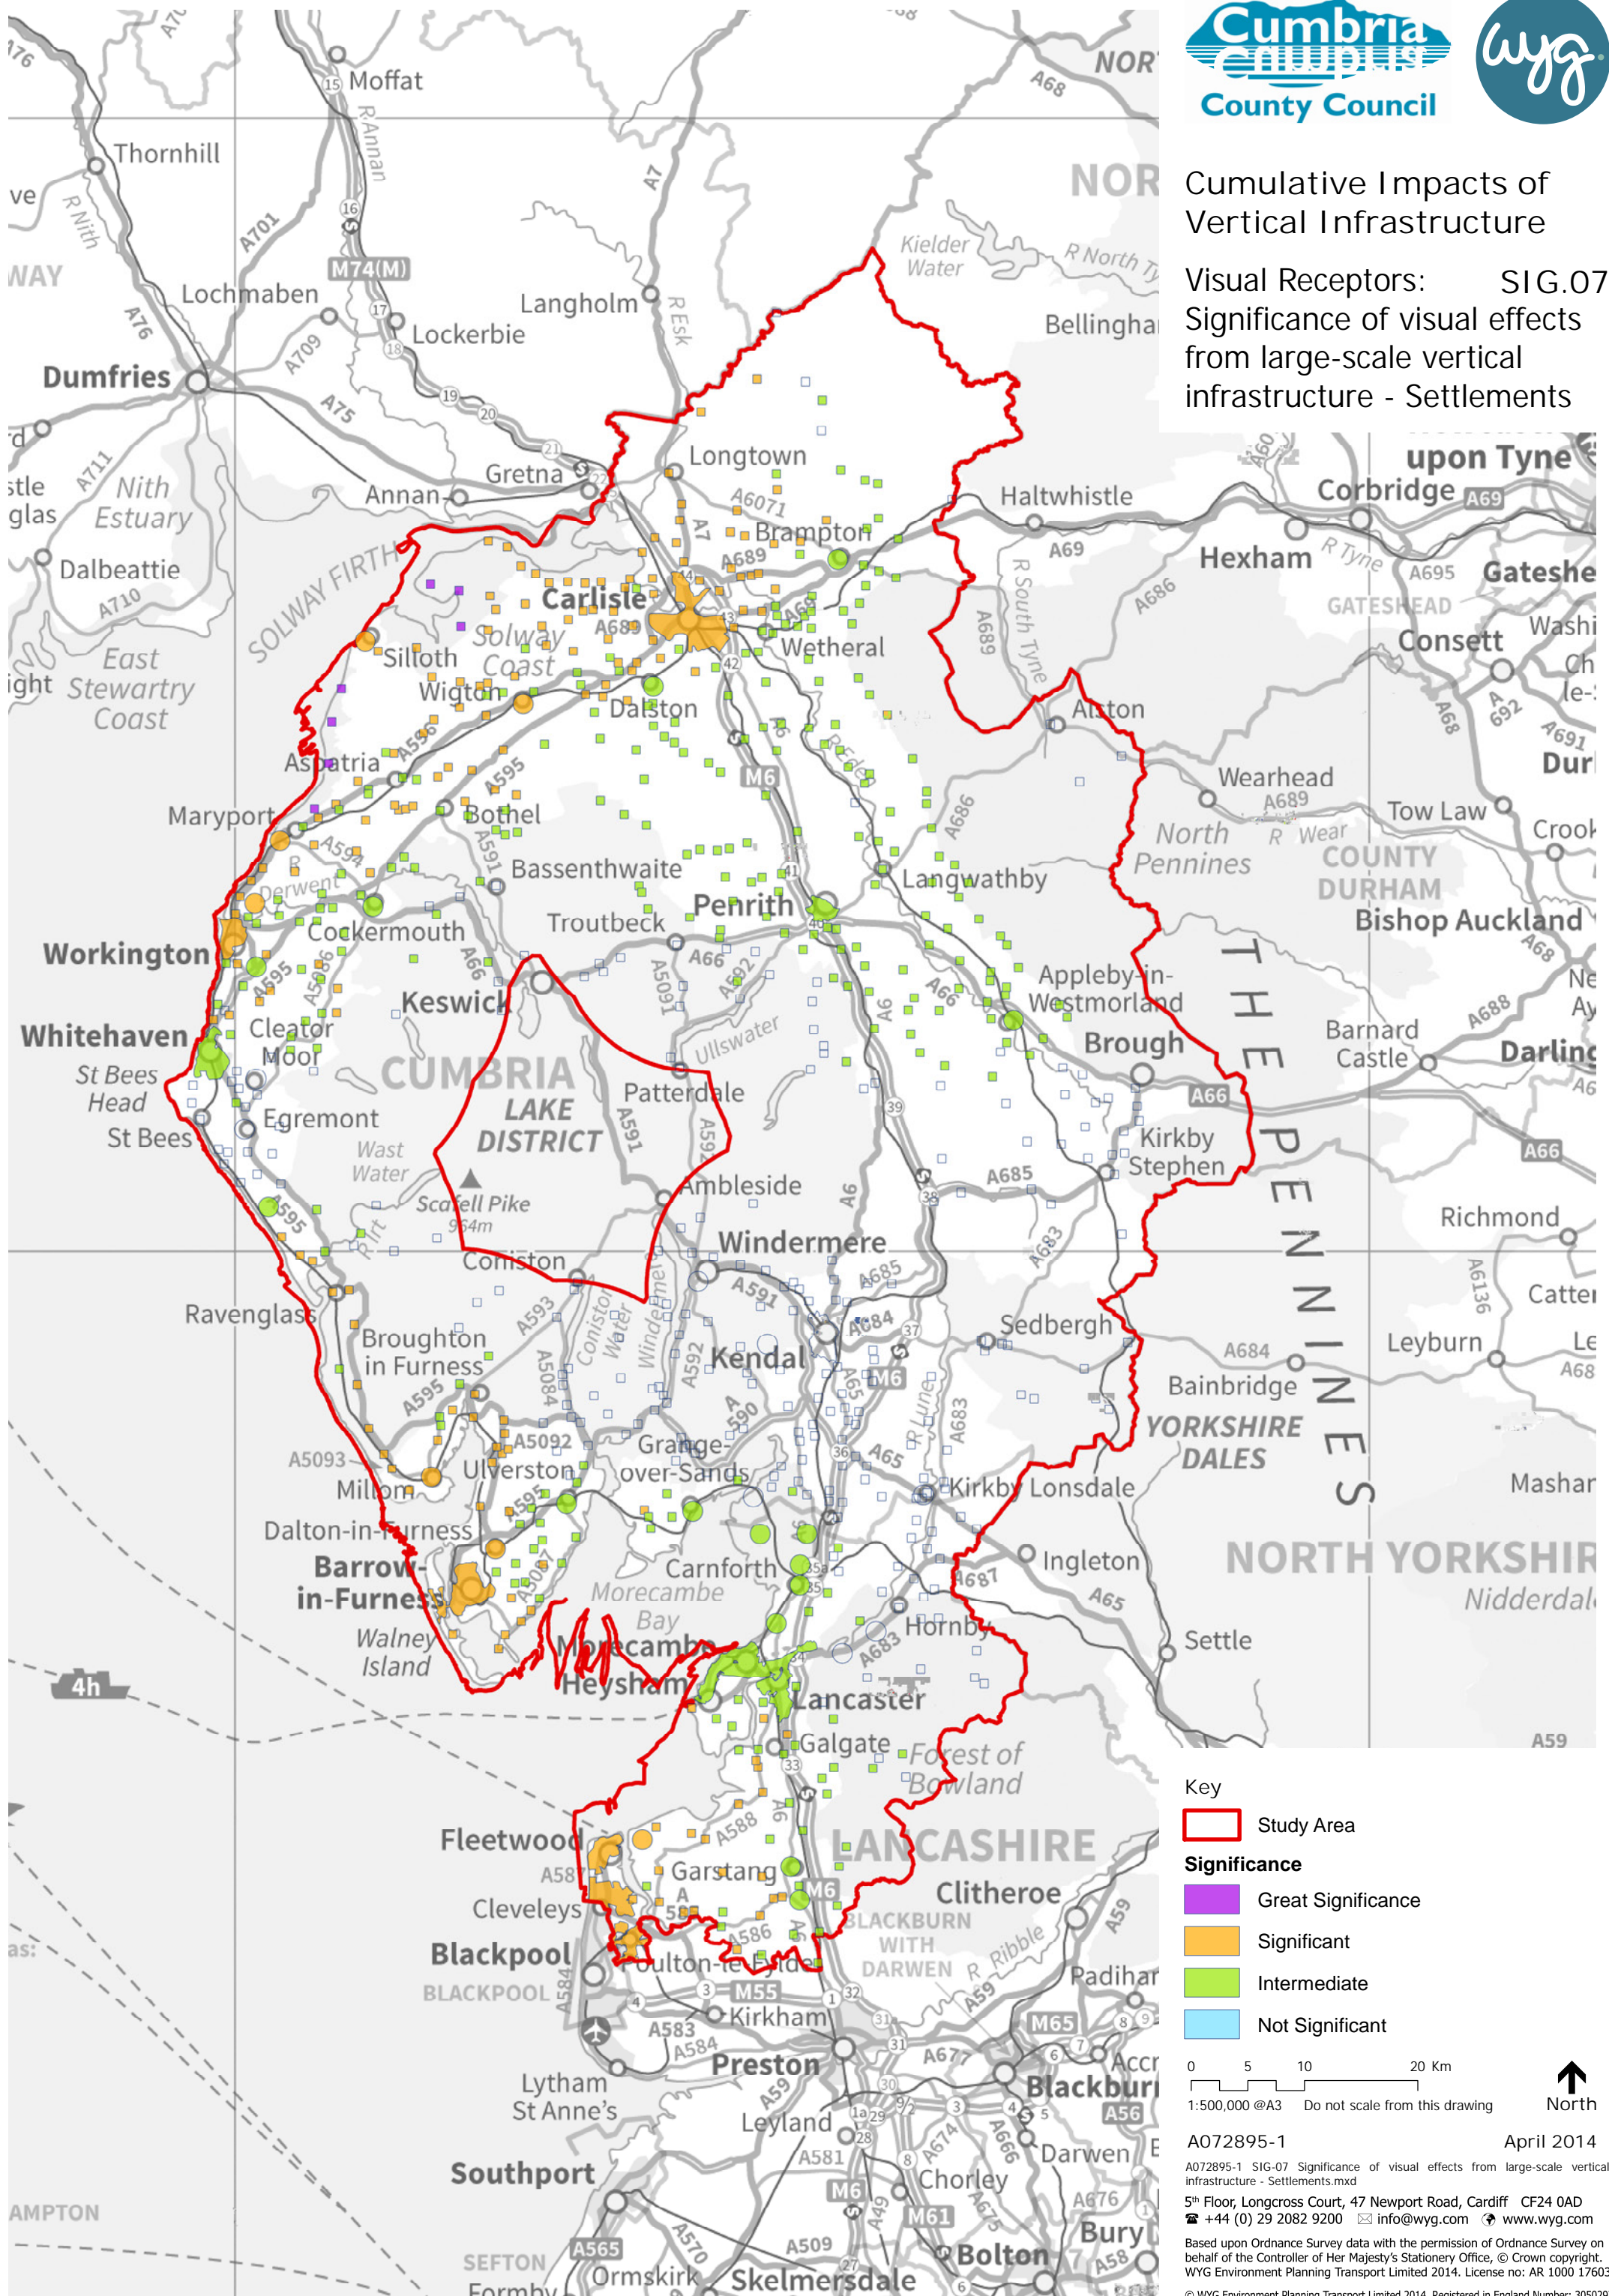

Cumulative Impacts of Vertical Infrastructure

Visual Receptors: SIG.06
Significance of visual effects from medium-scale vertical infrastructure - Settlements

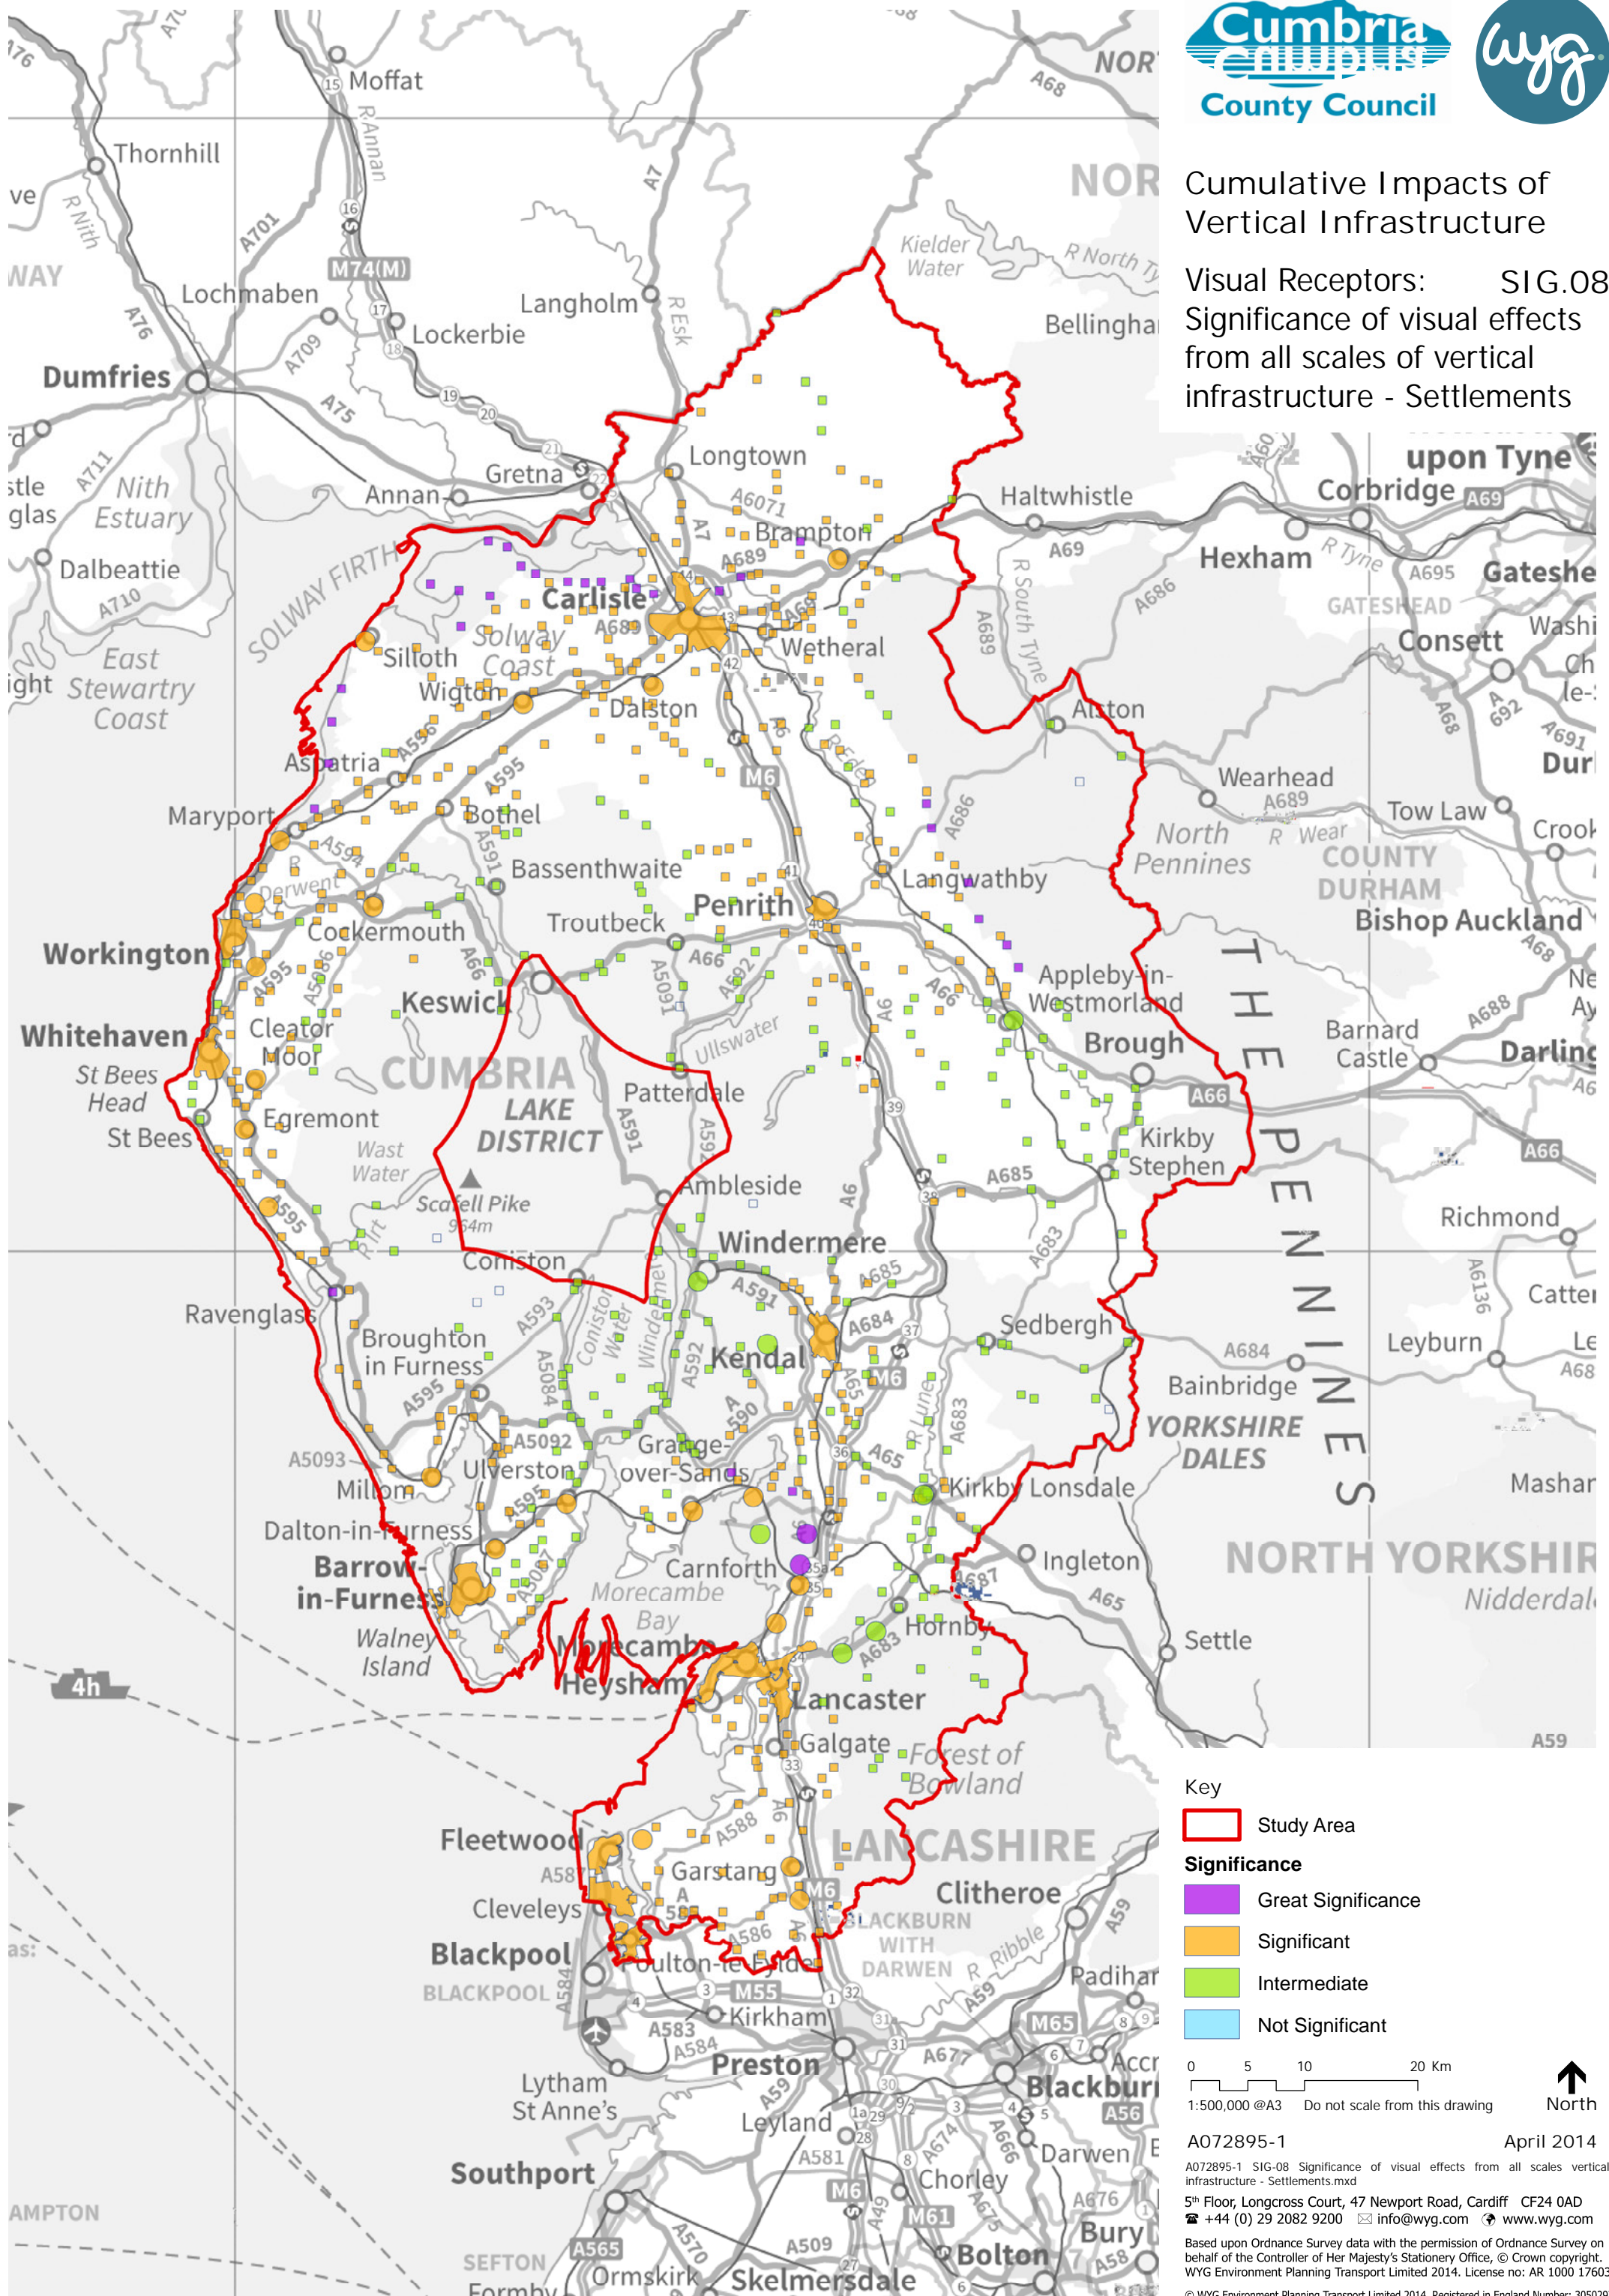

Cumulative Impacts of Vertical Infrastructure

Visual Receptors: SIG.07
Significance of visual effects from large-scale vertical infrastructure - Settlements

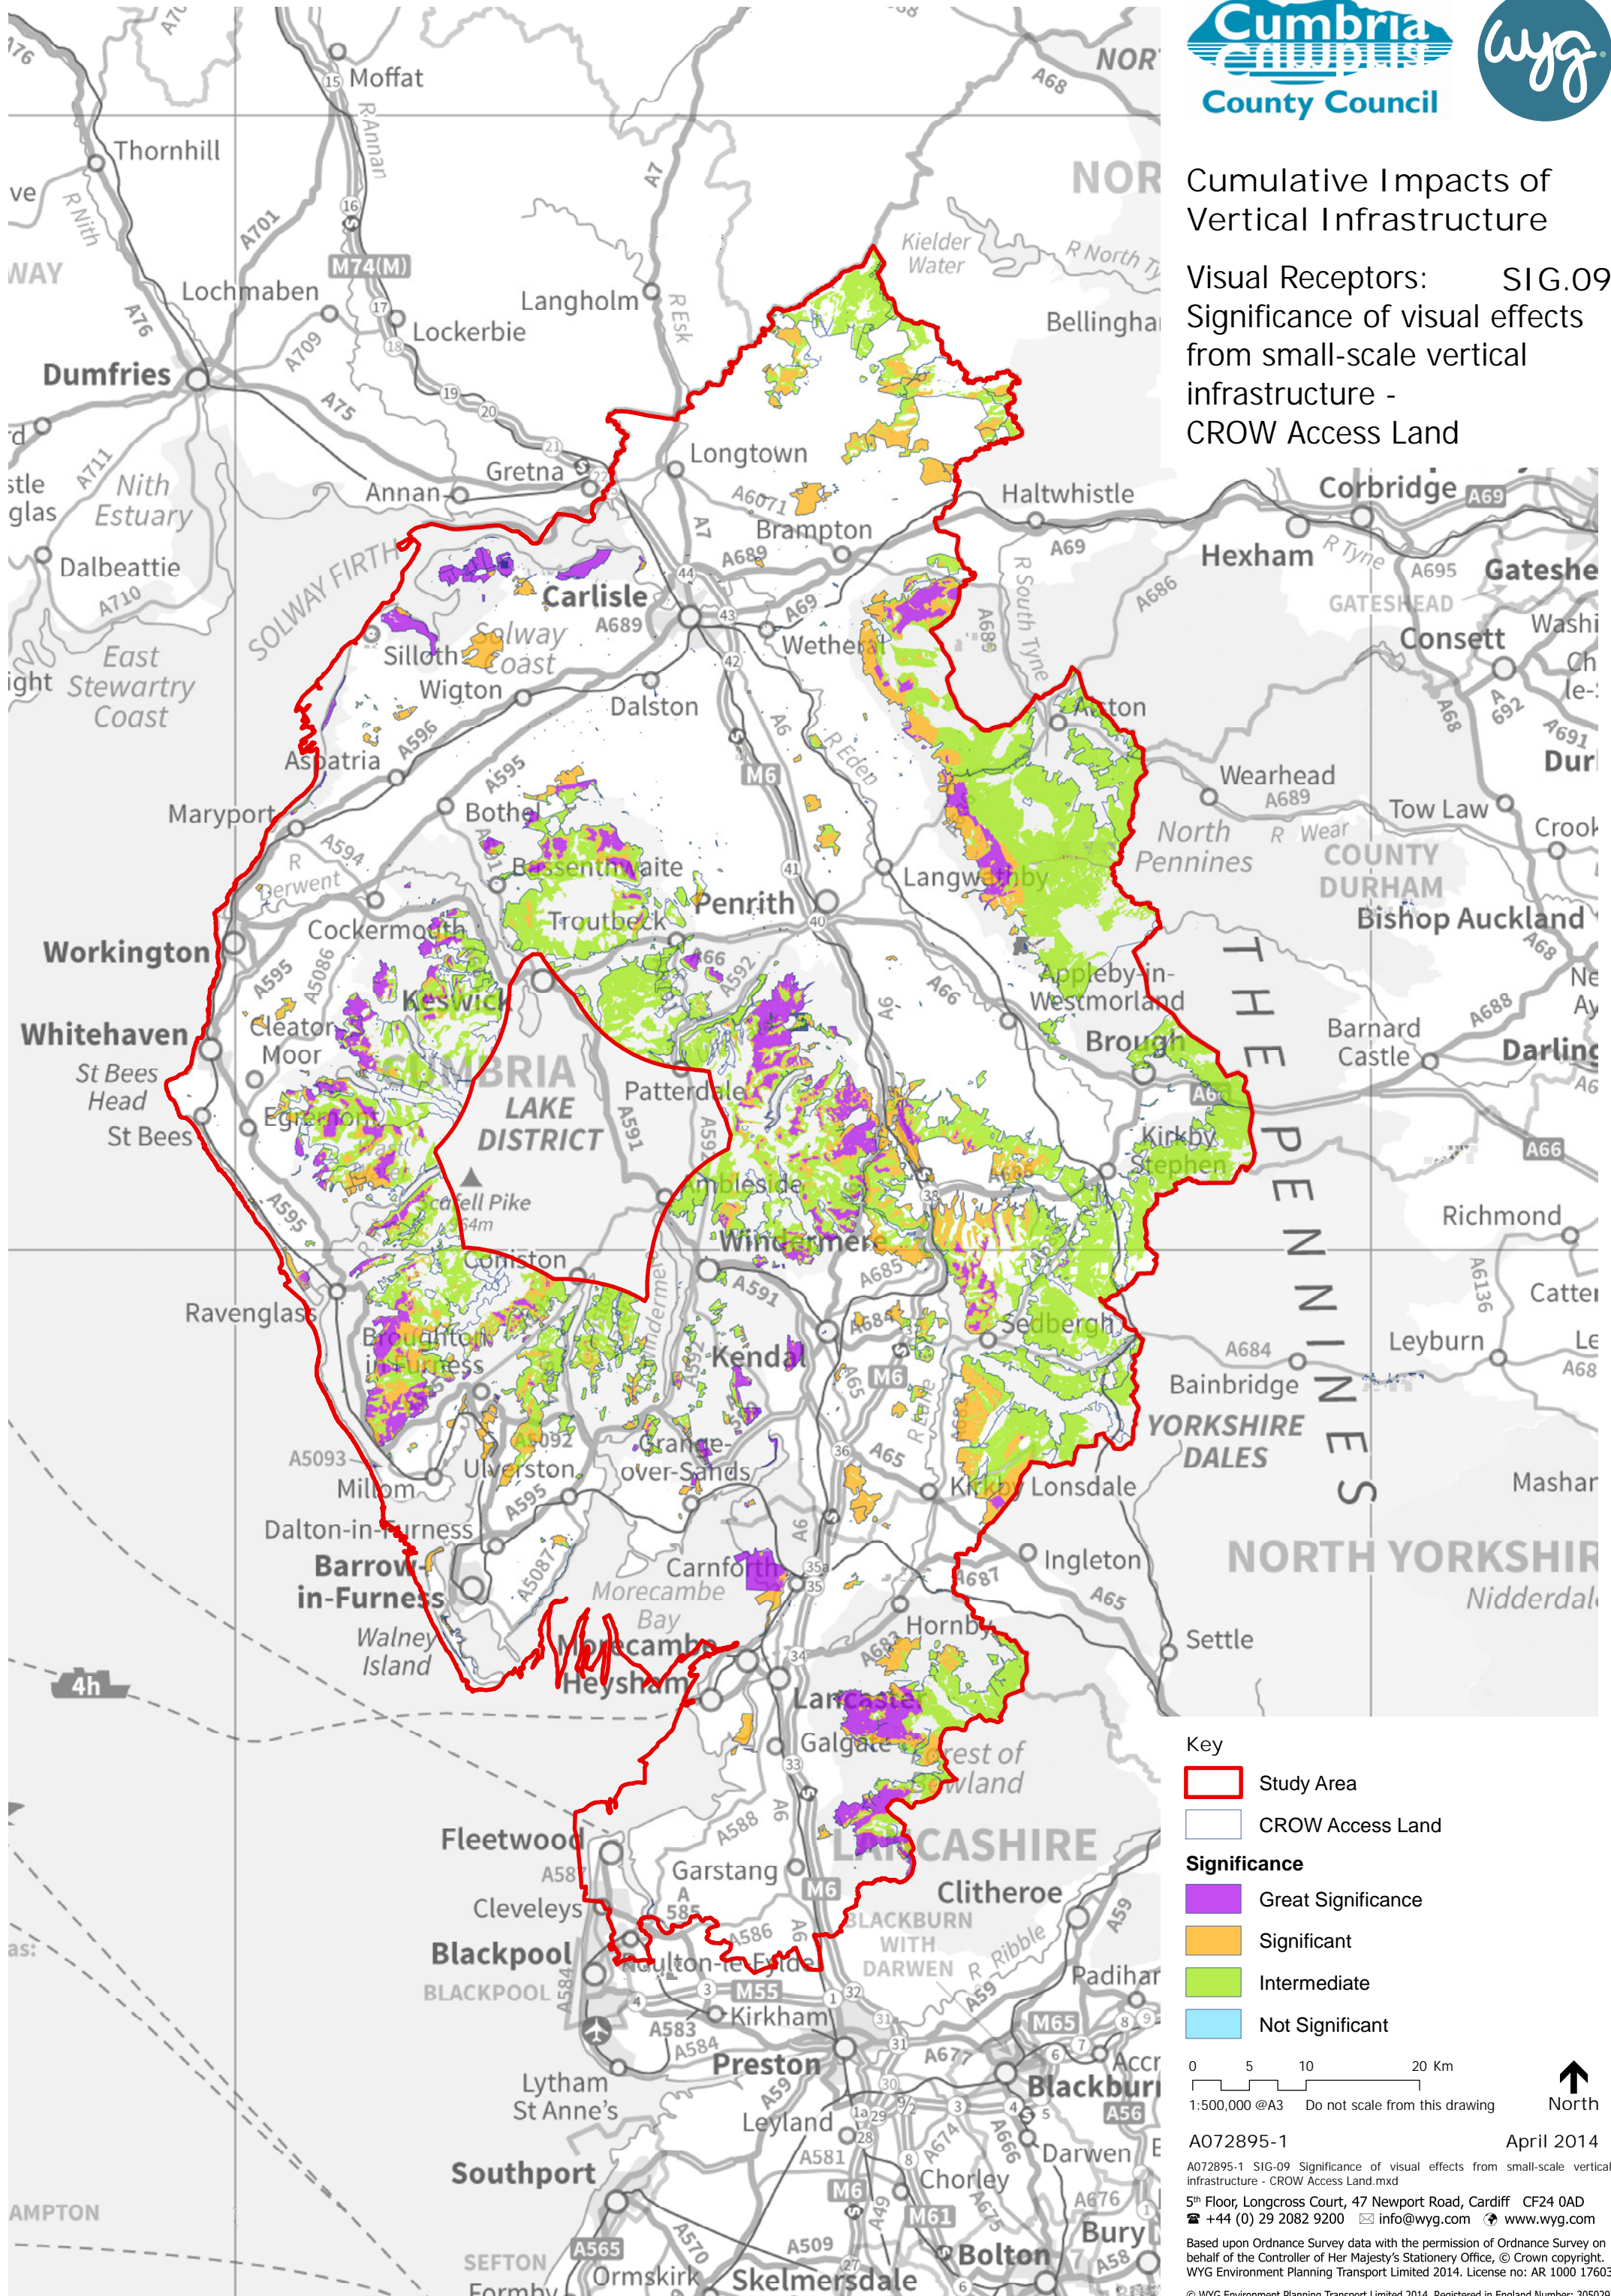

Cumulative Impacts of Vertical Infrastructure

Visual Receptors: SIG.08
Significance of visual effects from all scales of vertical infrastructure - Settlements

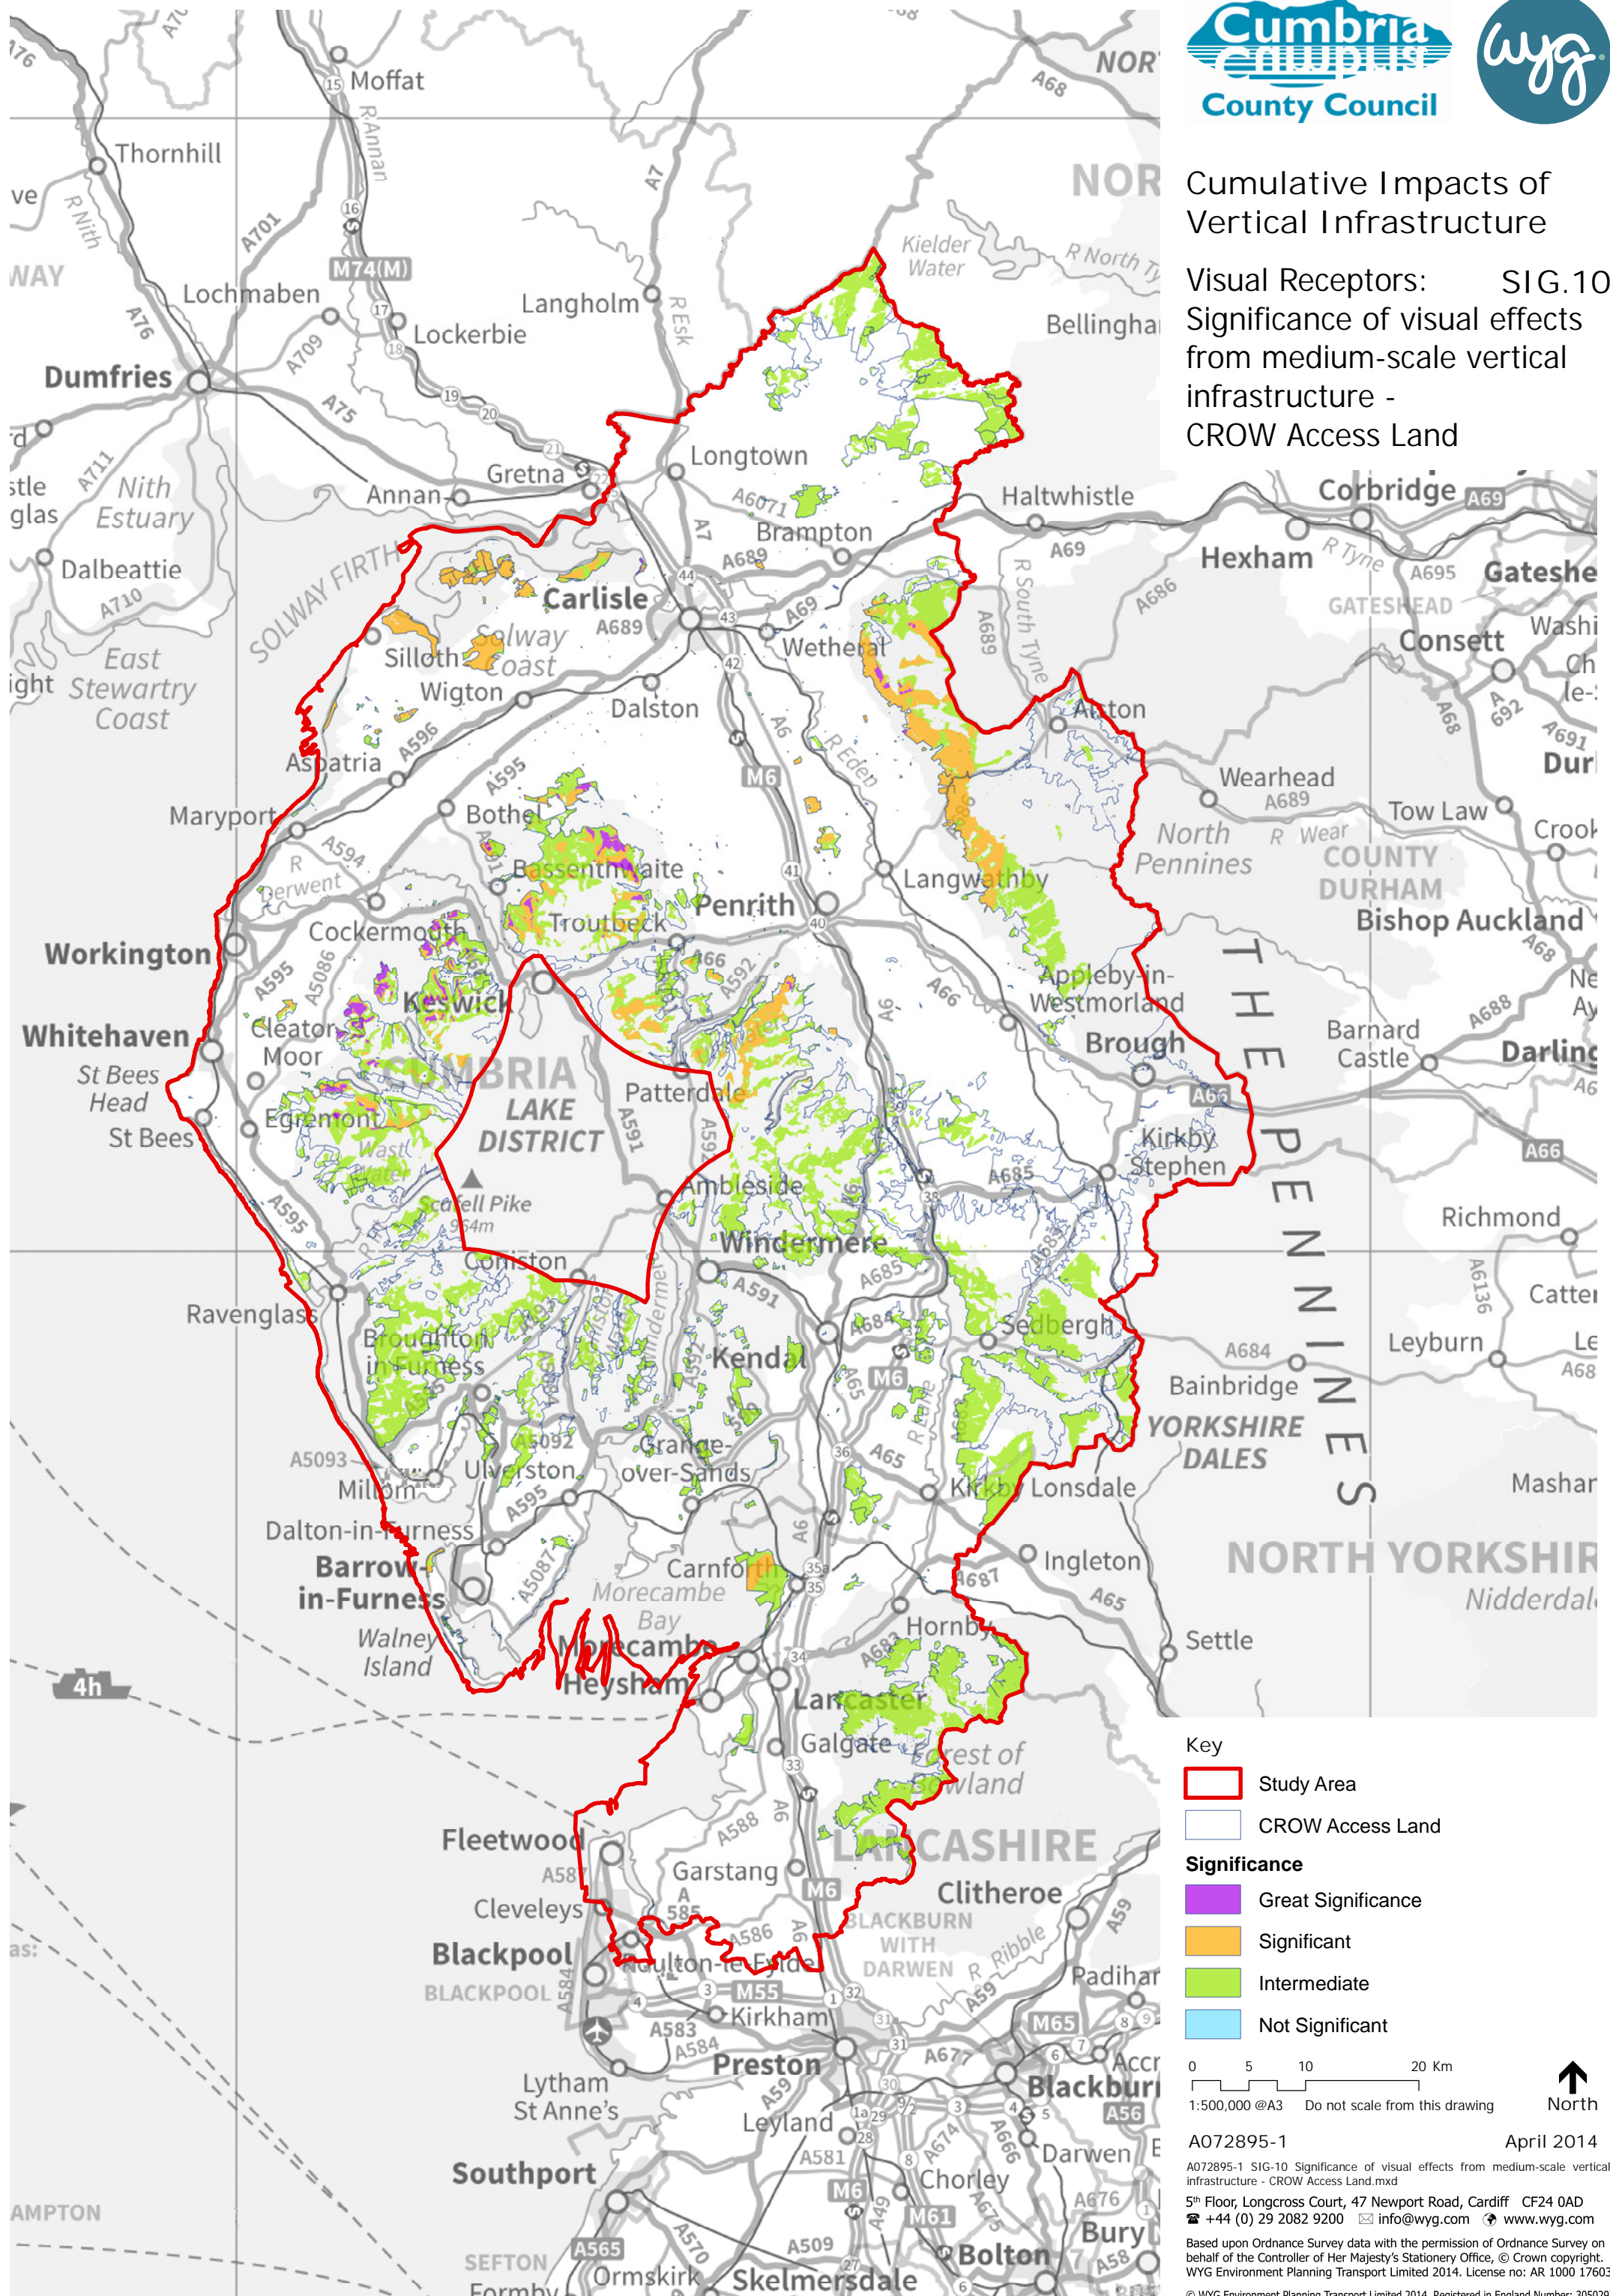

Cumulative Impacts of Vertical Infrastructure

Visual Receptors: SIG.09
Significance of visual effects from small-scale vertical infrastructure - CROW Access Land

Cumulative Impacts of Vertical Infrastructure

Visual Receptors: SIG.10
Significance of visual effects from medium-scale vertical infrastructure - CROW Access Land

Cumulative Impacts of Vertical Infrastructure

Visual Receptors: SIG.11
Significance of visual effects from large-scale vertical infrastructure - CROW Access Land
